

Guardian™ app Official Compatibility Guide

Updated October 25, 2021

To use the Guardian™ 4 Smart CGM system, you will need a compatible device and operating system (OS), as listed below. It is important to check this compatibility table before installing a new OS or attempting to download the app on a new phone.

When a new OS is released, it may take time to complete testing. We recommend that you check this table before updating your OS.

Care partner SMS alerts are not limited to the below compatibility.
