

FAST PASS PROGRAMME UNITED KINGDOM

Medtronic

Fast Pass 2 Guardian™ 4 System – Terms and Conditions:

**Fast Pass is only offered for a limited time starting 1st March until the launch of Guardian™ 4 System. Patients can register from 1st March 2021*

*** Commercial availability is subject to local regulatory and reimbursement approvals. More information will be sent via email for patients who opted in*

REGISTER from the 1st of March on the WeCare website:

<https://www.medtronic-diabetes.co.uk/en-gb/wecare-diabetes-journey>

What happens after you've registered

1. We will keep you updated on a regular basis to keep you informed and notify you once Guardian™ 4 System is commercially available. Following commercial launch of the Guardian™ 4 System we will contact you via email to advise you know how to place your order.
2. If you are already using MiniMed™ 780G and on boarded before the 1st March 2021 you are not eligible to register to fast pass. If your transmitter is within warranty at the time of launch we are considering upgrades using a separate channel, we will contact you when we have further information.
3. You may be asked to send back your current Guardian™ Link 3 transmitter

Registration eligibility & terms & conditions

By registering for the Guardian™ 4 System CGM Fast Pass programme you agree to the following:

- You are a MiniMed™ 780G system user or caregiver of a person using the MiniMed™ 780G system, and are using CGM (Guardian™ Link 3 and Guardian™ Sensor 3), on boarded onto your therapy after 1st March 2021.
- You are registered for WeCare and have provided your MiniMed™ 780G serial number
- You authorise Medtronic to store and process your data in order to activate and manage your Guardian™ 4 System CGM Fast Pass programme registration. Please read and acknowledge, through WeCare registration process. A copy of the privacy policy is available at www.medtronic-diabetes.co.uk/privacy
- You may be contacted for:
 - Product availability updates
 - Educational information about your Medtronic products
 - Order processing and approval
- **You have consulted with your Healthcare Professional who deems that you are eligible for Guardian™ 4 System and supports your registration**
- Availability of the Guardian™ 4 System is subject to local regulatory and reimbursement approvals
- You acknowledge that you have been made aware that a new prescription from the Healthcare Professional may be required for Guardian™ 4 sensors before you can use your Free of Charge Guardian™ 4 Transmitter.
